

Task Order 6
Diversion Board of Authority
 Fargo-Moorhead Area Diversion Project

MFDA Purchase Order No. _____

In accordance with Article 1 of the *STANDARD MASTER AGREEMENT FOR PROFESSIONAL SERVICES* (“Agreement”), between the Diversion Board of Authority (“OWNER”) and CH2M HILL ENGINEERS, INC. (“ENGINEER”), dated March 8, 2012, OWNER and ENGINEER agree to the scope of services, work schedule, and compensation as follows:

Task Order Title: Management, Technical, Legislative, Project Delivery, Public Outreach, and Public-Private-Partnership (P3) Procurement Services

Description:

This Task Order 6 describes the functions and activities of the ENGINEER’s team to assist the OWNER with the management and implementation of its responsibilities in representing the OWNER as Local Sponsors as described in agreements with the US Army Corps of Engineers (USACE), including completion of designated Work-In-Kind (WIK) contributions, provision of lands, easements, rights of way, relocations, and disposal areas (LERRDs), interface and coordination with USACE activities, outreach to local stakeholders, and coordination, interface, and oversight of local consultant activities.

This Task Order 6 also describes the functions and activities of the ENGINEER’s team to assist the OWNER with the management, technical, legislative, project implementation, public outreach, and Public Private Partnership (P3) Procurement Services, including the management and implementation of the OWNER’s responsibilities as described in Diversion Authority agreements for the Split Delivery of the Project. This Task Order 6 is based upon the Project being selected as a P3 Demonstration Project by the USACE, appropriation of Fiscal Year (FY) 2016 Federal Funds, and selection as a New Construction Start in the USACE 2016 work plan released February 9, 2016.

Task Order 6 anticipates and is based on a level of activity that supports the Diversion Authority’s approved FY 2016 Project Budget of \$237,500,000, which is complementary to the USACE’s expenditures and start of construction on the USACE-led portion of the Project prior to September 30, 2016. This Task Order 6 is coordinated with and complementary with the Cass County Joint Water Resource District contract for Land Acquisition Management and Construction Management.

The period of performance for this Task Order 6 begins upon execution for the period from February 27, 2016, through November 25, 2016. This Task Order 6 anticipates completion of the Request for Qualifications (RFQ) process and preparation of a final draft of the Request for Proposals (RFP) for procurement of the P3 Developer, and authorizes ENGINEER to provide staff and services at the level of effort (LOE) described herein. ENGINEER has committed and will provide staff from CH2M and sub-consultant AE2S to support the anticipated activities and deliver the work described in the Scope of Services (required number of Full Time Equivalent (FTE) staff of 20). ENGINEER may contract with additional sub-consultants as necessary to meet the needs of the Project. Tasks defining the general scope to support the listed activities are described below.
