Service charges are based on rates established by Dorsey & Whitney. A schedule of those rates has been provided and is available upon request. Disbursements and service charges, which either have not been received or processed, will appear on a later statement

October 1, 2018

Valued Client,

Standard hourly billing rates for many Dorsey lawyers are increasing effective October 1, 2018. The average standard hourly billing rate increase for attorneys across all of our offices and practice areas is 3.9%. In addition to this rate increase, certain associates may also have a step-up in their standard billing rate as a result of normal class-year promotion.

The actual change in hourly billing rates for timekeepers working on your specific matters is likely to vary from the average. This increase may or may not apply to specific engagements you have with the Firm depending on whether a particular engagement is based on the Firm's standard hourly billing rates or on some other fee arrangement.

Dorsey's domestic average lawyer billing rates have historically been among the lowest for firms of our size and caliber. We pride ourselves on delivering real value to our clients and believe our rates are very competitive with peer firms in our offices' locations. We strive to continue being one of the best values among all comparable law firms.

As you know, billing rates are just one component of the total cost of legal services. We provide our services to you in the most effective and efficient manner appropriate for the engagement. We staff matters based on thoughtful consideration of your needs, and we always strive to deliver maximum value to the client from every minute devoted to your matters. We have a Legal Project Management team and matter management software that help ensure our engagements are planned well, staffed correctly and managed efficiently. We do not charge clients for costs of copying or computerized legal research services.

Dorsey also enhances value delivered to clients by offering superb training and continuing legal education opportunities to client personnel at no additional cost.

We are notifying you of this change in standard billing rates as part of our normal custom and practice with respect to periodic billing rate increases.

We are thankful for our relationship and look forward to continuing to serve you in your current and future legal needs. We would be happy to discuss any aspect of this letter with you at your convenience.

Sincerely,

Dorsey & Whitney LLP

Office of the City Attorney
