Regional Planning and Environment Division North

Dear Interested Parties:

Enclosed for your information, review and comment is the draft Supplemental Environmental Assessment, Clean Water Act Section 404(b)(1) Evaluation Supplement, and Finding of No Significant Impact for the design modifications to the Fargo-Moorhead Metropolitan Area Flood Risk Management Project. The Public Notice for the proposed action is also enclosed. We are distributing this environmental assessment to concerned agencies, interest groups, tribes, and individuals for comment. If public review identifies any significant concerns or results in additional project modifications, a revised National Environmental Policy Act document may be prepared.

If you have any comments on the environmental assessment, please provide them within 30 days of the date of this letter. Comments may be submitted electronically at <http://www.fmdiversion.com/> or mailed to Terry Williams at the address below. All comments will become an official part of the administrative record and will be available for public examination.

Questions concerning the Design Modifications to the Fargo-Moorhead Metropolitan Area Flood Risk Management Project should be directed to Terry Williams, Project Manager, at (651) 290-5517. Please address all correspondence on this project to the District Engineer, St. Paul District, U.S. Army Corps of Engineers, Attention: Terry Williams, 180 Fifth Street East, Suite 700, St. Paul, Minnesota 55101-1678.

Sincerely,

A handwritten signature in black ink, appearing to read "M. J. Price".
